These dentists are independent contractors and not employees of Delta Dental. The dentist is solely responsible for managing the dentist-patient relationship. Every effort has been made to prepare this directory accurately, but Delta Dental assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual dentist, it is suggested that the information be obtained directly from that dentist rather than from this directory.

These dentists are independent contractors and not employees of Delta Dental. The dentist is solely responsible for managing the dentist-patient relationship. Every effort has been made to prepare this directory accurately, but Delta Dental assumes no responsibility for possible mistakes or omissions. If any questions should arise concerning the status of an individual dentist, it is suggested that the information be obtained directly from that dentist rather than from this directory.
